# CHAIRMAN'S LETTER

Assalamu Alaikum,

On behalf of the entire Atlanta Masjid Community Foundation (AMCF) team, I extend warm Eid greetings to you all. We hope the sacred month of Ramadan was a time of meaningful reflection and abundant blessings.

On November 11th 2023, at the 65th anniversary celebration of the Atlanta Masjid, AMCF was launched to serve as the philanthropic champion of the community. There we set an ambitious 5-year goal to deliver three things by our 70th anniversary:

1. A multi-purpose space with prayer, education, and recreation facilities that all operate with excellence
2. A significantly endowed school that's high-performing and consistently produces graduates that are holistically successful
3. Commercial real estate, owned in a Waqf (Islamic endowment), that provides financial sustainability through rental income and ongoing appreciation

Our aggressive 5-year timeframe creates a sense of urgency and accountability - we have 55 months to go! "The effort is ours but the results are God's". We're committed to putting in high-energy optimistic effort, and we pray we're blessed with results that exceed our wildest dreams.

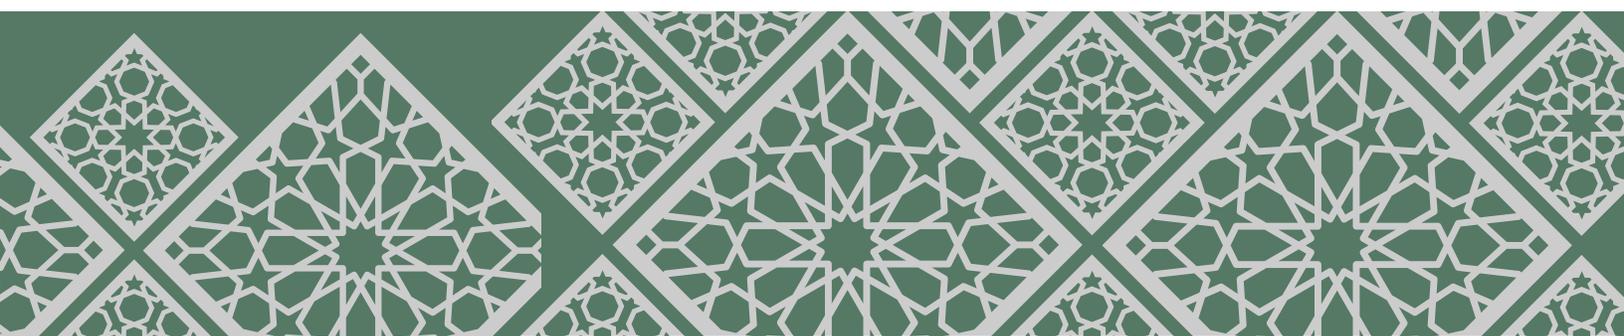

In this letter, we share exciting updates about AMCF, including our recent accomplishments and impact, upcoming projects to look forward to and ways you can contribute.

## IMPACT

The community has shown up in support in a major way! We've been hungry for this. Within the last 150 days, we've collected nearly \$1.2 million of the nearly \$5.5 million pledged during the 65th and we have over 250 committed supporters giving on average more than \$100 per month.

Since the Foundation's launch 5 months ago, here are some highlights of what has happened:

- **\$1 Million MSOA Endowment** - AMCF was started with a founding gift of \$1 million to start the MSOA endowment, ensuring the long-term financial sustainability and affordability of our school.
- **MSOA Strategic Planning** - AMCF sponsored a comprehensive strategic planning process for the Mohammed Schools involving various community stakeholders.
- **Community Co-Working Space** - We are actively converting the former medical office in the Masjid Plaza into a community co-working space. Grand opening is slated for September 2024

## UPCOMING PROJECTS

Alongside ambitious long-term goals, we believe it is also critically important to focus on projects that will improve our community **today**. These near-term efforts will ultimately make us better custodians of whatever Allah blesses us with in the future.

- **Masjid & School Beautification** - We are leading the charge to dramatically beautify all of our existing school & masjid facilities - imagine improved green spaces, parking lots, decorative and edible landscapes, upgraded signage & wayfinding, enhanced curb appeal, cohesive color schemes, etc.). Allah is beautiful and he loves beauty, so we are working to make everything we own, regardless of age, dignified and beautiful.
- **Glenwood & 2nd Ave Corner Acquisition** - As of 4/3/24 we are officially under contract to purchase the corner of Glenwood & 2nd Avenue, which for the first time in our community's history gives us control of the entire block.
- **Community Archiving Project** - We are working with Dr. Suad Abdul-Khabeer and others to preserve & disseminate original documents, records, photos, audio/visual materials, and other items. Starting with Br. Nassar Madyun's and Br. Hassan Shakir's 50-yr treasure trove of community photographs and videos going back to 1974.
- **Salaam East Atlanta** - Recognizing the power of place and proximity, Salaam East Atlanta aims to harness the energy and enthusiasm generated by the Masjid Plaza redevelopment to revitalize the campaign for concentrated Muslim Community in East Atlanta. Salaam East Atlanta seeks to inspire (and help facilitate) a new generation to live, work, pray, establish businesses, launch social service organizations, get civically engaged, and create cultural initiatives in East Atlanta.

## WAYS YOU CAN CONTRIBUTE

# OUR VISION

*“The highest purpose for human life and existence is community life”*

*– Imam WD Mohammed*

# A THRIVING CAMPUS IN EAST ATLANTA

On the 8 acres where the Masjid and retail plaza currently sit, we envision a thriving community campus with the following spaces:

1. 240 units of accessible and affordable housing, including senior housing, and 30,000 square feet of retail and creative office space
2. State-of-the-art faith center with a large prayer space to accommodate our growing community needs for Jummah, Ramadan, and life events
3. World-class educational institutions that produce holistically successful human beings
4. Flexible classroom spaces to provide daily/weekly learning opportunities for all segments of the community
5. Green and sustainable spaces, that connect people to nature and foster wellness
  - a. LEED and Living Building certifications (following RCM's inspiring example)
6. A gender-separated wellness center to provide opportunities for exercising, fitness classes, counseling, group therapies, cupping, massages, and other wellness services
7. Modular event spaces to enhance and offer more daily, weekly, and monthly activities as well as opportunities for community organizations to rent space for their events
8. An expanded co-working space for those needing a place to do remote work and office space for administrative staff and community-based organizations

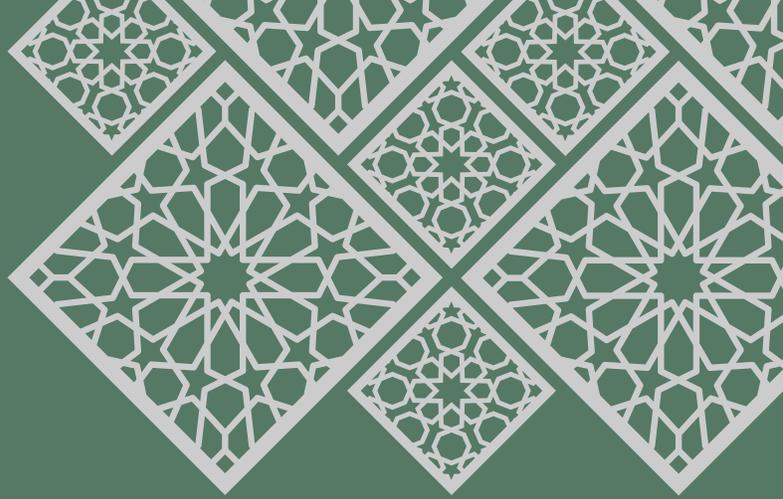

These spaces will allow us to develop our programming in different areas including:

- Added programming to focus on youth development, in particular teens, as well as our pioneers and reverts
- Programming and services focused on our young families and the growing matrimonial needs
- Networking opportunities within our professional community by industry as well as mentorship programs for young people
- Enhanced spiritual and religious learning with dedicated teachers and structured curricula
- Collaboration with other community-based organizations, civic engagement groups, and other like-minded NGOs to enhance community offerings and social services

In the tradition of “Waqf”- Islamic charitable endowments with property dedicated in perpetuity to the public good - the new development will be secured and preserved by the Atlanta Masjid Community Foundation, economically empowering the Atlanta Masjid and Mohammed Schools to fulfill their missions in a sustainable manner.

Even more than large one time gifts, what's most powerful is every member of our community consistently giving whatever they can. If 4200 people gave an average of \$100 per month, that would generate \$420K per month. That's \$5mm per year, every year. In 5 years that's \$25mm!

## MSOA STRATEGIC PLAN CONTEXT AND TEAM

### Context

Between November 2023 and January 2024, AMCF facilitated a series of discussions with school and community leaders as well as education experts.

These efforts culminated in successfully sourcing North Star Education Partners to conduct a comprehensive and participatory strategic planning process for the Mohammed Schools of Atlanta.

North Star has generously waived their administrative fees, providing a grant of \$15,060, and Luqman Abdur-Rahman, a North Star team member and MSOA alumnus, has offered his services pro-bono, contributing an additional value of \$35,000. The net cost of the North Star project amounts to \$68,212. AMCF provided a grant to cover this cost.

# DONOR SPOTLIGHT

HURIYYAH HAMEED

**1. What inspired you to give to the Atlanta Masjid Community Foundation, and what has kept you committed to supporting our mission over time?**

My inspiration to give to the Atlanta Masjid Community Foundation stems from a sense of responsibility and obligation to a community that is very near and dear to me. As a lifelong member of our national community, with 25 of those years here in Atlanta, I am vested in supporting all things that are of benefit to the community. After hearing the vision and the inspiration of the foundation, I was honored to contribute in any way I could. I believe in the vision and trust those who are leading it. The success and continuous growth and development of the Foundation rests on our shoulders - the community members. As a member, my commitment to support will inshallah be a lifelong effort.

**2. What are your greatest aspirations for the Atlanta Masjid Community?**

I pray our community continues to build a legacy that will stand the test of time and serve as a model globally. I pray we continue to strengthen the bonds and knowledge exchange between generations. I pray our children, and our children's children, and their children's children have an even stronger drive to continue carrying the torch our pioneers lit, making it even brighter along the way.

**3. What are you most excited to celebrate at the 70th Anniversary Gala?**

I am most excited to celebrate the collective accomplishments that we'll (Inshallah) see over the next 5 years. To have our children witness a community idea, that transitioned to a plan, the hard work and sacrifices made along the way, and be able to see the idea come to fruition, is priceless and definitely worth celebrating.
